JUSTIFICATION:

Veritiv Corporation provides paper and pressroom supplies to Arapahoe County Print Services. Veritiv was a previous State of Colorado paper award vendor. The State of Colorado has not gone out to bid since 2015. Arapahoe County had piggybacked off the State award for the past twelve years. Print Services would like to continue purchasing paper and supplies from Veritiv. Veritiv will honor previously awarded paper pricing, with the exception of carbonless paper. A comparison between Veritiv and Source Office Supply (Awarded Office Supply vendor) of sixteen of our most commonly used papers. Source Office Supply overall cost was 56.21% higher than Veritiv. There are no paper companies with a principal place of business or paper manufacturing in the State of Colorado.

It is in the best interest of Arapahoe County to continue to purchase from Veritiv Corporation.
