| Electrical Service Upgrade | 15 years ago we had a contractor construct our barn. Recently when Sunrun Solar was applying for a permit to put solar panels on the roof of the barn we learned that my contractor when constructing the barn only had a building permit to construct the building and did not have a permit for the electrical. Therefore, I need to get the process updated and into compliance. | LON D KRAFT | 655 S SPLIT ROCK RD, BLDG#, BENNETT, CO 801028758 | BLD-2018-02255 | 7/1/2018 | \$ 2,000.00 | BENNETT SCHOOL DISTRICT |
