Arapahoe County CSU-Extension hosting free energy efficiency workshop *Join CSU-Extension, Xcel Energy and the Brendle Group to learn more Dec. 7*

LITTLETON, CO --- As the winter progresses, the days get shorter and the temperature gets colder. Make sure your home is prepared by attending a free home energy efficiency workshop.

Join Arapahoe County CSU-Extension, Xcel Energy and the Brendle Group Dec. 7 for this interactive workshop. The workshop will be focused on tips for making energy efficient decisions and improvements in your home.

When: 7 – 8:30 p.m., Dec. 7

Where: Bemis Library, 6014 S. Datura St., Littleton, 80120

Attendees will learn tips and strategies to save money and energy at home, including ways to take advantage of free energy advice, rebates and resources. Xcel Energy's *Home Energy Squad* will provide efficiency demonstrations and, along with CSU Extension's energy team, give a brief efficiency presentation and answer any questions that may arise.

A Home Energy Squad visit to a residence entails a technician coming to the home to find gaps in energy efficiency. The Squad member will make recommendations to save the resident money and potentially perform efficiency upgrades while on-site. This service will be offered to residents at the workshop.

Workshop participants will also be entered for a chance to win a free Home Energy Squad visit and receive a free LED lightbulb.

For more information and to RSVP, contact Tim Aston at tim.aston@colostate.edu or call 303-738-7907. Learn more about Arapahoe County CSU-Extension at <http://arapahoe.extension.colostate.edu/>.
