Arapahoe County holds Oct. 22 transportation meeting *Citizen input needed to help Arapahoe County update its 2035 Transportation Plan*

Arapahoe County is updating its Transportation Plan and we need your help.

On Oct. 22, Arapahoe County will host an open house to update the County's 2020 Transportation Plan, which will develop a unified multimodal updated transportation plan to provide guidance to decision makers through the year 2035. The main focus of the update will be on unincorporated Arapahoe County.

"We hope citizens will take the time to learn more about the County's transportation plan and to give us their thoughts and ideas on future transportation needs," said Commissioner Rod Bockenfeld, who represents District 3, which includes Foxfield, portions of Centennial, Aurora and all of eastern Arapahoe County. "Citizen input is an important part of our planning as it will help guide future transportation decisions."

Please join us at the first public meeting for a description of the goals and objectives of the plan, project background information and results of initial data collection. Citizen input and comments relative to existing and short range transportation needs will be solicited.

The meeting will be held:

October 22, 2009
Arapahoe County Fairgrounds
25690 E. Quincy Avenue
Aurora, CO 80016

Open House: 4:30 - 7 p.m. • Brief Presentation: 6 p.m.

Citizens interested in learning more about the plan or getting notification on future meetings, can join the project mailing list by contacting Leah Langerman, Consultant Community Outreach Coordinator at 720-225-4651 or by e-mail at llangerman@deainc.com.

Reasonable accommodations will be provided upon request for people with disabilities. If you require a specific accommodation to participate, contact Leah Langerman at 720-225-4651 or by e-mail at llangerman@deainc.com.
