Passport Day in the USA

Arapahoe County Clerk and Recorder's Office open Saturday, March 28 to make it easy for residents to get their passports

LITTLETON, CO --- Planning to travel to Canada, Mexico the Caribbean or Bermuda in the near future. Or, are you hoping to take that tour of Europe you've always dreamed of?

Then take a trip to the Arapahoe County Clerk and Recorder's Office, 5334 S. Prince St., Littleton, **Saturday, March 28** where the County is participating in national Passport Day in the USA. Between 10 a.m. and 3 p.m., the Clerk and Recorder's Office will provide passport information to U.S. Citizens and accept passport applications. Normally, the Clerk and Recorder's Office is closed on Saturday.

"For all those folks who can't visit our office during the week, this is a great opportunity to apply for a passport," said Nancy Doty, Arapahoe County Clerk and Recorder. "Currently, it takes four to six weeks for you to receive your passport after submitting an application."

On June 1, U.S. citizens must present a passport book, passport card, or other travel documents approved by the U.S. government to enter the United States from Canada, Mexico, the Caribbean and Bermuda at land borders and sea ports of entry.

Information on the cost and how to apply for a passport book and/or a passport card is available at www.travel.state.gov. U.S. citizens may also obtain passport information by phone, in English and Spanish, by calling the National Passport Information Center toll-free at 1-877-487-2778. All applicants should bring passport photos with them when applying as the Clerk and Recorder's Office does not have the ability to make passport photos.
