

## Weatherization Income Guidelines

*Weatherization has provided energy conservation services to homes for more than twenty-five years.*

### Energy Efficiency Home Improvements Program

Weatherization has limited funds to provide free weatherization services to households in Arapahoe County, who are at or below 80% of adjusted mean income (a higher income limit than the guidelines required for traditional weatherization services). This program is **only for Arapahoe County owner-occupied households**. It does not apply to Aurora residents, rental properties, mobile/manufactured homes, and multifamily structures, such as condo units and townhomes. Income guidelines (**80% AMI**) are as follows:

Household Size	Maximum Gross Annual Income
One	\$55,950
Two	\$63,950
Three	\$71,950
Four	\$79,900
Five	\$86,300
Six	\$92,700

*\*Add \$5,530 for each additional household member*
