

**ARAPAHOE COUNTY  
NOTICE FOR FLOOD HAZARD REVISIONS  
CASE NO. EE20-006**

PROPOSAL: Federal Emergency Management Agency (FEMA) initiates Letter of Map Revision (LOMR) to correct inconsistencies in the effective Arapahoe County, Colorado and Incorporated Areas FEMA flood risk products [Flood Insurance Rate Map (FIRM), Flood Profile, Floodway Data Table (FDT)] for Coal Creek between the Coal Creek confluence with Murphy Creek and Gun Club Road.

The Arapahoe County Public Works and Development Department, in accordance with National Flood Insurance Program regulation 65.7(b)(1), hereby gives notice of the County's intent to revise the flood hazard information, generally located between East Bayaud Ave and Gun Club Road. Specifically, the flood hazard information shall be revised along Coal Creek from a point approximately 300 feet downstream of E-470 to a point approximately 600 feet upstream of E-470.

As a result of the revision, the floodway shall widen and narrow, the 1% annual chance water-surface elevations shall decrease, and the 1% annual chance floodplain shall widen and narrow within the area of revision.

Maps and detailed analysis of the revision can be reviewed at the Arapahoe County Public Works and Development Department, 6924 South Lima Street, Centennial, Colorado 80112. Interested persons may call Chuck Haskins at 720-874-6500, or Stacey Thompson at 303-858-8844 for additional information.

More information about this proposal is available at the Arapahoe County Engineering Services Division, 6924 S. Lima Street, Centennial, CO or by calling 720- 874-6500, Monday – Friday, 8:00 a.m. to 4:30 p.m.

Joan Lopez, Clerk to the Board
